

Prairie Grove Parks
2010 Golf Outing
Neighborhood
Team Challenge

September 10, 2010
Boone Creek Golf Club
Bull Valley, Illinois

This is the 2nd Annual Prairie Grove Parks Committee Golf Outing. This year, there will be a new and exciting challenge added to the golf outing. Each neighborhood or block is being challenged to have a representative team, or teams, to play in the soon to be coveted Prairie Grove Parks Golf Outing Neighborhood Team Championship! All members of the team must live within the identified neighborhood or block in order for the team to be a recognized Neighborhood Team!

The Neighborhood Team Challenge will be incorporated into the overall golf outing, and all applicable rules for the outing will apply for this challenge. The winning team competing in this challenge will have the honor of being identified on a plaque to be displayed at the Village Hall, along with year-long bragging rights, identifying not only the neighborhood, but the individual members who were part of the winning team. Please identify on the registration form that your team wants to be an identified team and what your team name will be!

The Prairie Grove Parks Committee is in the process of constructing the Village's first park. The Village of Prairie Grove has obtained a grant for park development, however the Village must match the state grant, dollar for dollar. In order to avoid use of tax dollars for this match, the Parks Committee is committed to raise the necessary funds through fundraising. ALL proceeds will go toward providing the Village residents with an improved park that will benefit current and future residents.

Come enjoy a round of golf and at the same time support park development.

See registration form for more information regarding the outing
